1985 DEDICATION

Mr. Don Johnson

Mr. Don Johnson has been in the teaching profession for 36 years and at C.H.S. for 25 of these years. He is married, wife Martha, and has two children. Mr. Johnson attended college at East Illinois University and the University of Illinois. He enjoys playing golf, watching high school football games and traveling - listing his favorite places to visit as Washington, D.C. and Boston, Mass. While at C.H.S. he has served in a variety of coaching positions - football, baseball, track and golf, freshman class advisor in the 1960's and as a senior class advisor for the past 4 years. Mr. Johnson stated his fondest memories at Carlsbad as being a coach during the 1960's when C.H.S. won C.I.F. football and league championships and track league championships. He also has many memories of thousands of students he has had the pleasure of teaching, coaching and knowing. His favorite sayings are "Every blind squirrel gets an acorn now and then" and "Make It Hurt." His Lancer pride once was shown by his purple and white buick with LANCER license plates and is now shown by his purple socks and tie - he also still has his LANCER plates.

Mr. Johnson can always be counted on for a good joke, a friendly smile and the weekly football pool. It is with great pride and pleasure the 1985 Purple Shield Yearbook staff co-dedicates this year's yearbook to Mr. Don Johnson.

Mr. Robert

Mr. Robert Wood has been a teacher at Carlsbad High School for 27 of his 29 professional teaching years. He was born in Maryland but went to college at Occidental and San Diego State University in California, majoring in English and psychology. He enjoys gardening, reading, folk dancing and antiquing. Mr. Wood has served in a variety of extracurricular positions while at C.H.S., such as advisor of the Junior Class and Croquet Club and this year as a faculty member of the Lancer Day Committee. He enjoys traveling and his favorite spots to visit are Oregon and England.

Mr. Wood's fondest memories at C.H.S. are the years he worked with the classes of 1961 and 1963. His favorite saying typifies Mr. Wood's commitment to teaching excellence and C.H.S. students - "To Thine Own Self be True." He encourages young people and peers to strive to do the best they can in whatever they attempt. Mr. Wood's famous Hemingway beard will always be remembered by those students who have experienced his English classes.

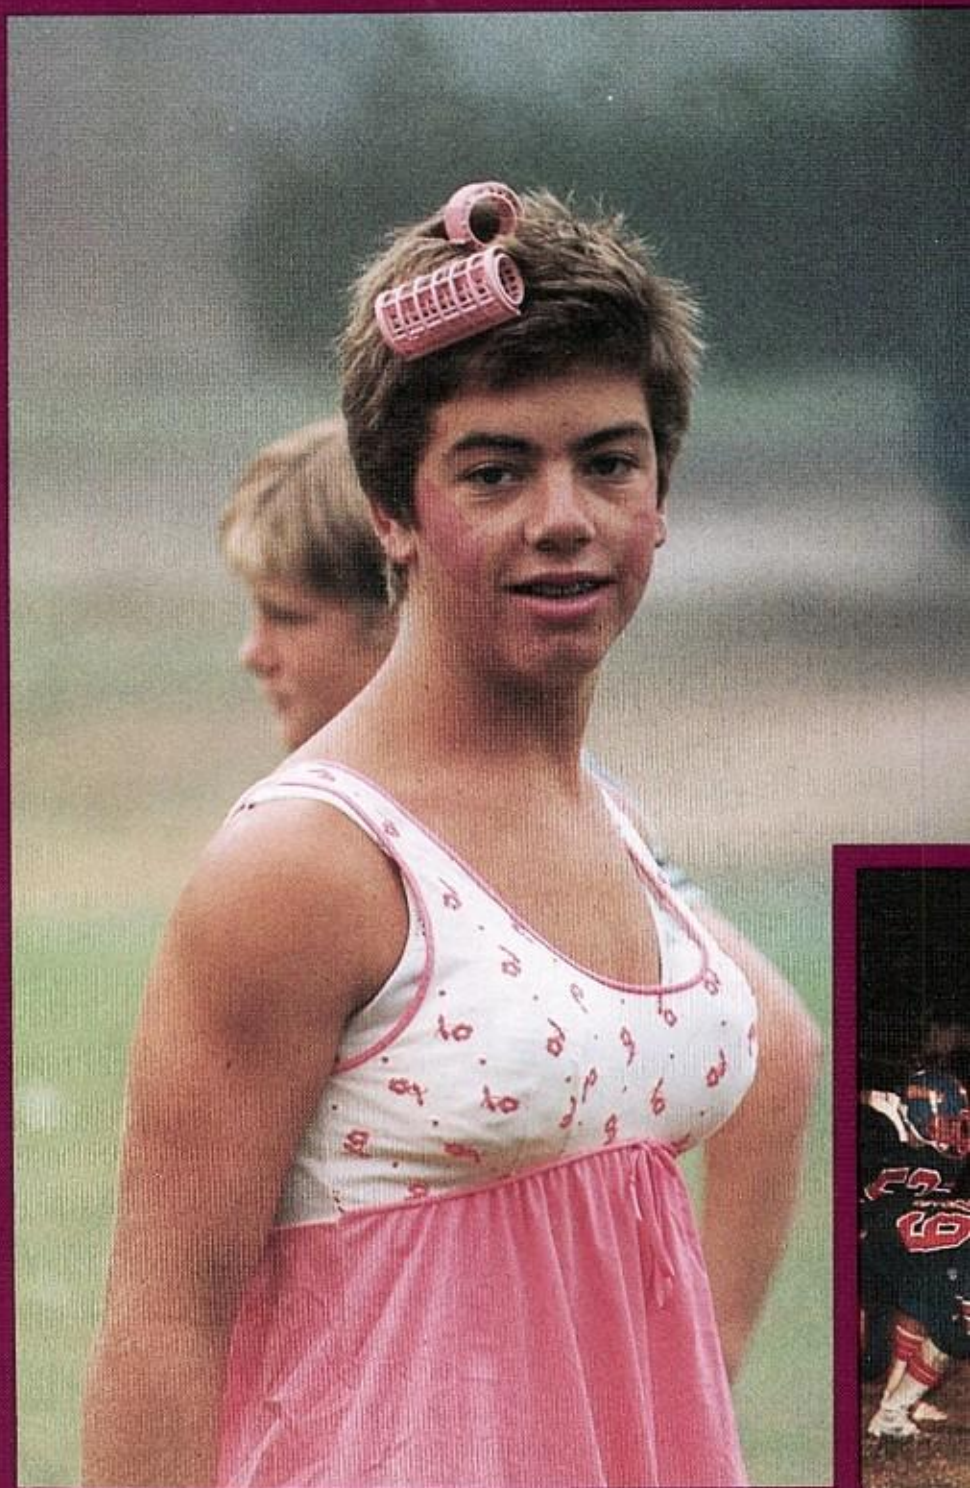

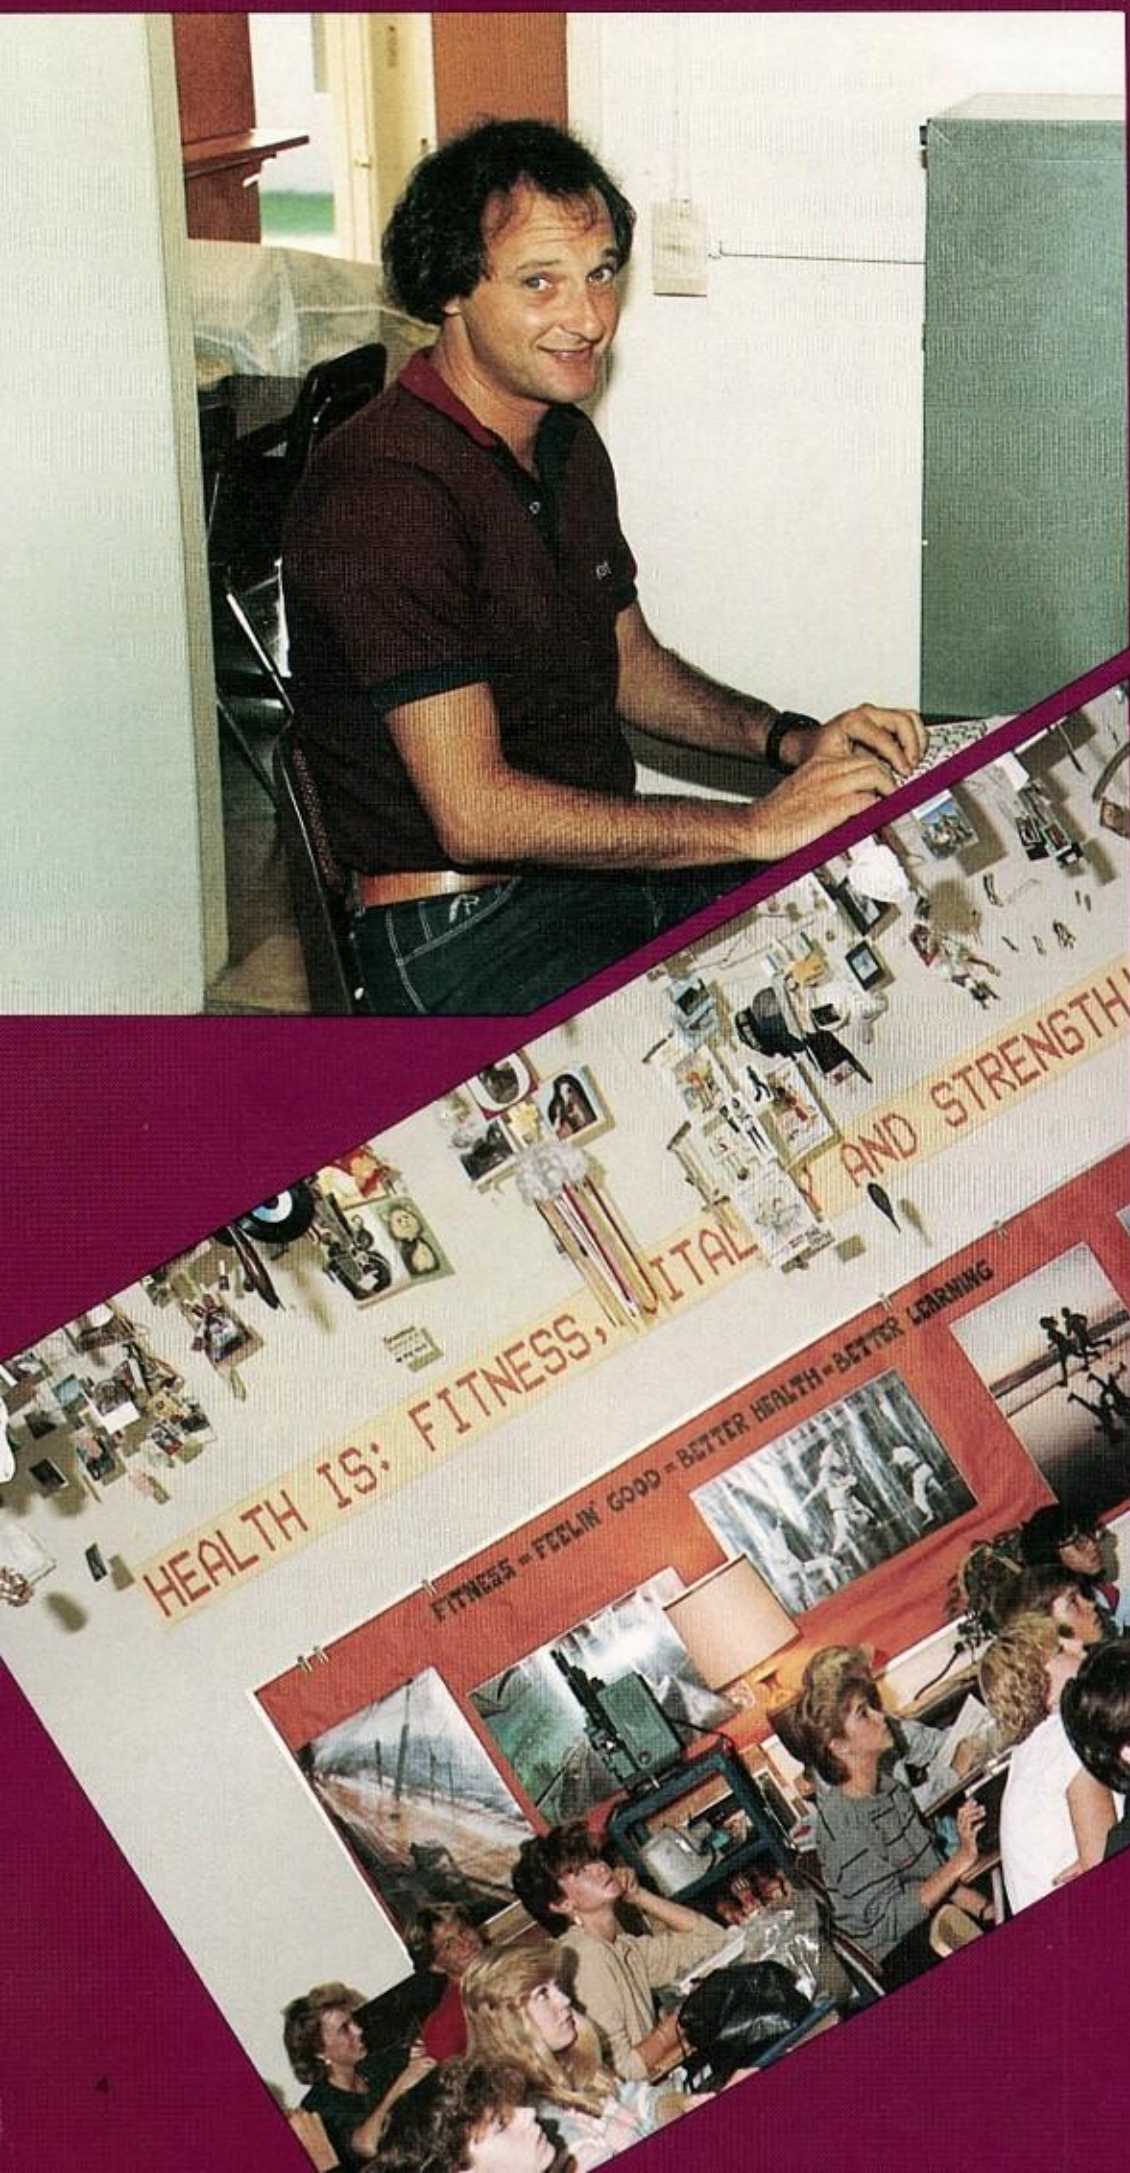

It is with great pride and pleasure the 1985 Purple Shield Yearbook staff co-dedicates this year's yearbook to Mr. Robert Wood.

VALEDICTORIAN LINDA BAGLEY

Everyone has a gift that is different from anyone else's. Some are more obvious, like good looks or an outgoing personality. Many people do not discover their talents until they are out of high school. Meanwhile, they must believe that they are special, because it's very true.

Juniors, sophomores and freshmen: work hard, but make sure that you have a good time in school. The friends that you make and the experiences you have will carry you through any rough times in the future. Don't lost out on the fun high school experiences. You learn just as much outside the classroom as you would inside the classroom. Some say that these are the best times of your life. Don't pass them up!

Seniors, thank you for the four best years of my life. Each of you is truly special and unforgettable. I hope that your lives are all wonderful, but when bad times come, remember that there are those in our class who care for you. I truly love you, Class of 1985.

I'd like to give a special thank you to my parents, the administration, faculty, staff and A.S.B. members. You're the best!!

SALUTATORIANS

KEVIN MEEHAN

Thank you, all of you. Especially Mr. Vanegas, Mrs. Boodry, Mr. Hurd, and Coach Nelson. I would also like to thank Mick Tingstrom for teaching me to laugh, Pat Wilson for teaching me to party, my sister Erin for teaching me the advantages of sleeping-in and Roger Stelmach for teaching me other fine arts.

For those of you out there sweating each night over a huge stack of books, let me advise you that sports, the development of your social life and other fun things are just as important as grades. High school is a time of life everyone should look back on fondly with memories of dances, parties, sports activities, and of course getting into harmless mischief. If you just happen to get all "A"'s, congrats. But don't forfeit your fun for a 4.0. Don't be afraid of a little imperfection - in many cases it's more of an achievement to give up an "A" for a wrestling match (or something similar) than it is to simply quit wrestling to get that all important A.

Following graduation, I will be attending the United States Military Academy at West Point, and I will hopefully continue to have a little fun, even if I do maintain a 4.0 g.p.a.

AMY WRENCH

This year I played #1 doubles on the varsity tennis team and have earned three varsity letters in tennis. This will be my fourth year in the school musical productions, last year playing a leading role as Gladys in *The Pajama-Game*. I have been in the music department all four years singing as well as playing the cello in the orchestra. The past two years I have sung in Chamber Singers and have also accompanied the group on the piano.

A high point of this year was my participation in the Youth and Government program as a Senator in the California Legislature in Sacramento. Another stimulating community activity has been my playing and touring with the San Diego Youth Symphony.

My hobbies include dancing, tennis, bike riding, reading, and being with family and friends. I plan to attend a four year liberal arts college.

CALIFORNIA SCHOLASTIC FEDERATION

The California Scholarship Federation is a statewide organization which fosters pride in academic achievement. Qualified students belong to approximately 1,000 local chapters throughout California. To become a member, you must have a total of 10 points from your semester grades in academic subjects; an A gives you 1 point, a C zero points, and any D or F disqualifies you. Students who maintain membership in CSF for four semesters during the 10th, 11th, and 12th grades earn a gold seal on their diploma and life membership in the organization, plus qualifying for designated scholarships at various universities both in and out of California.

The Carlsbad chapter has a popular fundraiser selling gummy bears each semester. The profits are awarded as scholarships to our own graduating members. CSF students also serve as ushers at school events such as Baccalaureate, Awards Night, and Graduation. Also on the club's calendar each semester are various social and/or educational events like a behind-the-scenes visit to the Wild Animal Park.

This organization is open to qualifying members of all four classes, 9th through 12th, and is highly respected among colleges and universities.

Patricia Bein

I was born in Italy and lived there for 8 years. My parents are German so I am German too. After this 8 years, my family moved to Germany. I took the second grade again, because it was easier for me to learn the German language. I lived near Frankfurt. After my parents were divorced, I went with my mother and my brother to a city near the East German border. From 1980 on I lived with my mother and my 1 year old brother in Bad Hersfeld. I finished my school in the summer of 1984. In August the same year I came to Carlsbad and to this school. I found out that the people are very different. The dress and the culture were new to me. Also the food is different and after I tasted the Mexican food I was in love with it. I am happy that A.F.S. chose such a good family and environment for me. I like it here very much. I will take all my good experiences that I had here - this is a lot - and share them with the German people. And when I later think of America, I will always say, "California is great!" I wish to thank all my friends who helped me to make this year so great.

Janne Letio

Hi! I am Janne Lehtio from Aankoski, which is located in the middle of Finland. I had the pleasure of spending a year in the U.S. as a World Experience Exchange student. This year has been very different for me. I think I will remember this year as a very special one. The weather was warm all year long and it didn't snow at Christmas time. The school system is very different than Finland's. My school is voluntary and there is not as many rules. School is harder in Finland because we have more homework. We don't have as many tests, but it takes 1-2 hours to complete the tests because we only have essay questions. My host family is named Pendergast. I liked living with this family. I don't have any brothers or sisters and it has been a good experience to have a sister. I played basketball on the varsity team. Basketball players are better here than in Finland. Coach Wright is the best coach I have ever had. The only thing I disliked was the sports season system. I think that it is better when you can practice and play games all year long. When I go back to Finland I will have my senior year to study. I am glad about this year here. I hope I will be able to come back to Carlsbad and meet all my friends and host family again.

Thank you for everything! Thank you for my best four months in my life!

CLASS FLOATS FEEL FRANTIC FINISH

Carlsbad High School's spirit and pride sparkle in their involvement with the Lancer Day floats for each class. This tradition has been passed down through the years and has greatly contributed to the excitement and success of the homecoming festivities. Floatmaking brings the whole student body together, giving everyone a chance to participate. Not only is this an especially memorable event for C.H.S., but is supported by the entire Carlsbad Community. A lot of time, thought and effort is spent on the construction of the float as well as coming up with the theme. The theme from the Senior class was "Lancer Temple of Doom", from the Junior class came "Sink the Titans", from the Sophomore class arose "Time Ticks Away for Poway" and the Freshman class presented "Torch the Titans". Following the usual pattern for C.H.S., the Senior class took the lead with 1st place, the Junior class ran a close second, with the Sophomore class taking 3rd and the Frosh with 4th place. All in all, on the colorful day of October 19, 1984, much spirit reigned at Carlsbad High School.

FALL SPORTS ASSEMBLIES RAISE SPIRIT

Although this year's A.S.B. was limited with the number of assemblies they were allowed to put on for the school, spirit still reigned at Carlsbad's 1984 football pep rallies and at the outdoor assemblies for the other sports on campus. Some of the highlights were the freshman orientation assembly, the welcome back assembly and the Oceanside assembly. The Oceanside assembly featured a visit by the Oceanside cheerleaders, a great skit, a funny fashion show of O.H.S. prom dresses. The out door assemblies by the 800 Bldg. usually consisted of several class comps or a rock band.

FROSH ORIENTATION WEEK GROWS IN PARTICIPATION

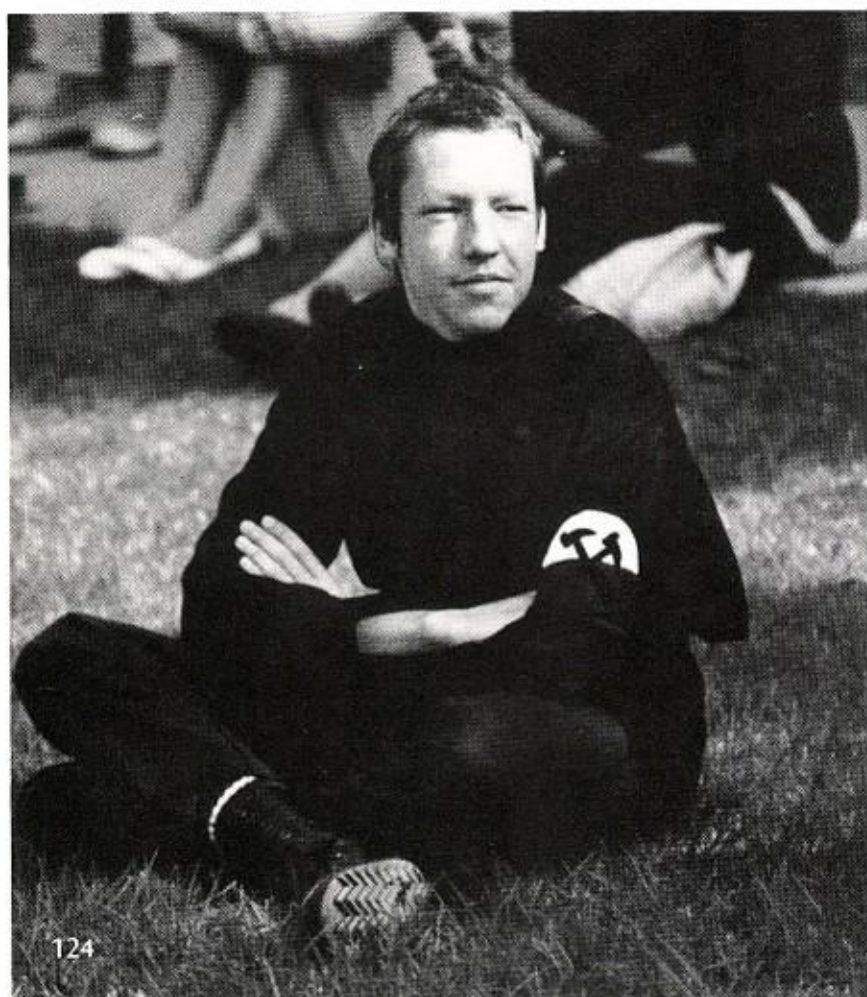

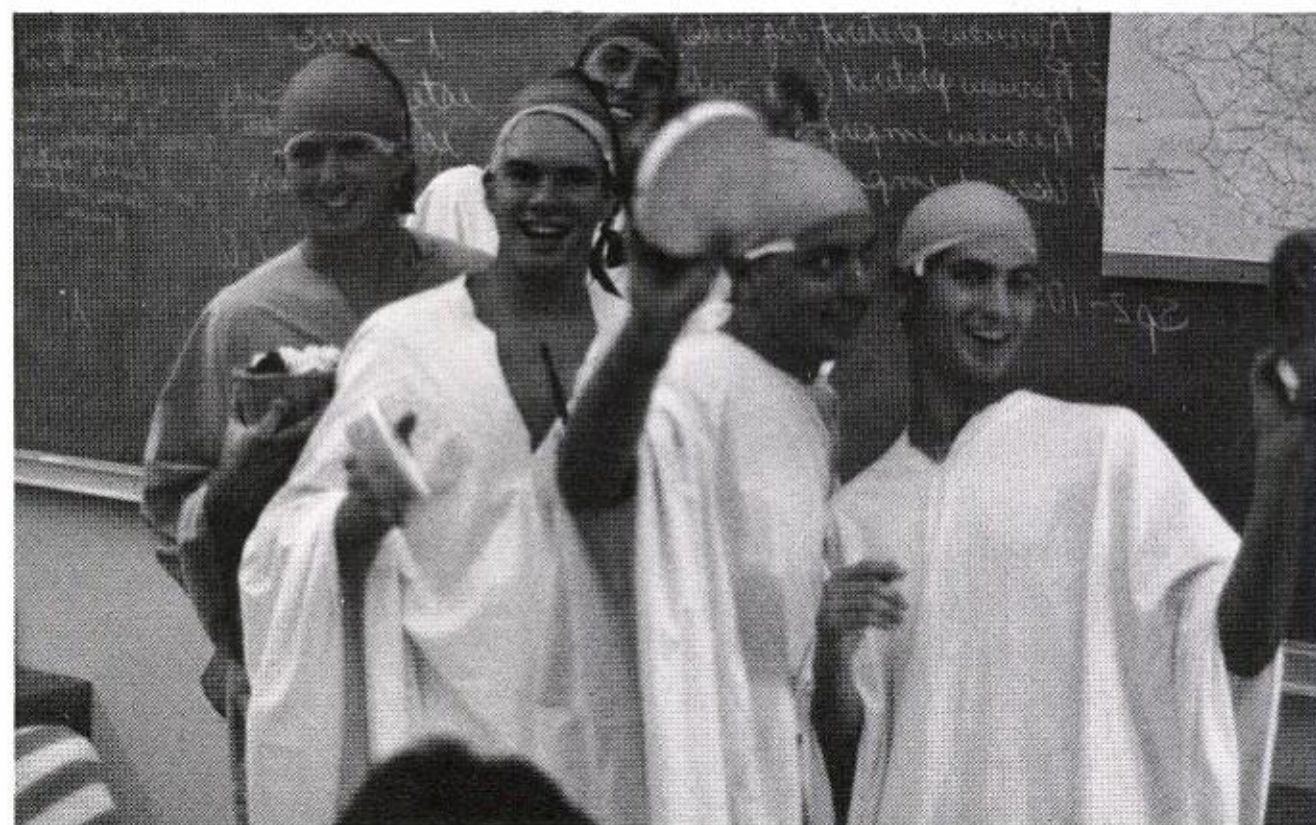

This year Frosh Orientation was a great success. There was a tremendous turnout of spirited seniors seeking to add a humorous beginning for the incoming freshmen. A large number of freshmen took part this year as they participated in three dress-up days, Native day, Reverse Day and a free dress day. The three days also featured a variety of outside of activities topped off at the end of the week with a 5/6 assembly. It was truly a week many freshman will not forget and will remember again 4 years from now when they are seniors.

ADVANCED DRAMA SHOWCASE

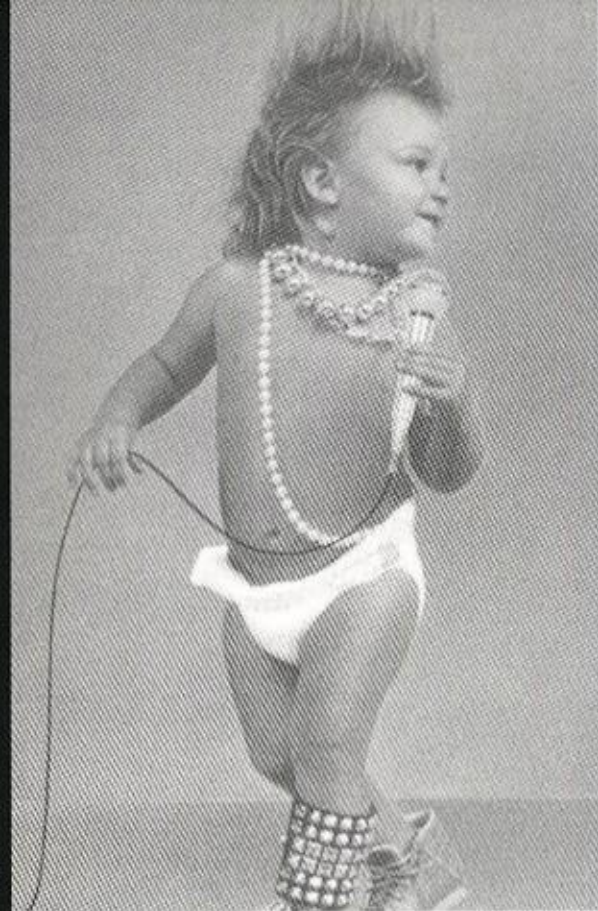

FINIAN'S RAINBOW 1985 MUSICAL

Finian's Rainbow, directed by Monica Hall with musical direction by Jim Shepard and coreography by Suzanne Fernandez Bejar, opened May 8 and ran through May 11, 1985 at the Cultural Arts Center. This production was led by stage manager David Alberico, Assistant directors Kelly Hussey, Kelly Blackshear and Twyla Mitchell and assistant stage manager Jeni Baird.

In the small community of Rainbow Valley, Missitucky, a group of sharecroppers are about to be evicted from their land by the corrupt Sen. Billboard Rawkins (Greg Stewart) and his henchman Buzz Collins (Mike Rodriguez). In the nick of time, local hero Woody Mahoney (Cris Giro) arrives to pay the back taxes, but lacks a few dollars to pay the interest. As if by magic, the money appears from the branches of a tree where Finian McLonergan (Scott Dreier) and his daughter Sharon (Tracy Wachter) are hiding. It seems Finian has traveled all the way from Ireland to hide a pot of gold stolen from Og the Leprechaun (Donald E. Newell III). While Sharon and Woody are falling in love under that "Old Devil Moon", Og tries to retrieve his pot of gold. When Sen. Rawkins makes his move on the people, Sharon, unknowingly standing over the hidden pot of gold, wishes an outstanding change on the Senator, shocking the community. Many good things began to happen to the sharecroppers, including a promise of credit from Shears, Robust and Company, but tragedy looms when Sharon is arrested on her wedding day for witchcraft. Saving the day is Woody's silent sister, Susan (Amy Wrench), who falls in love with Og and helps locate the missing crock.

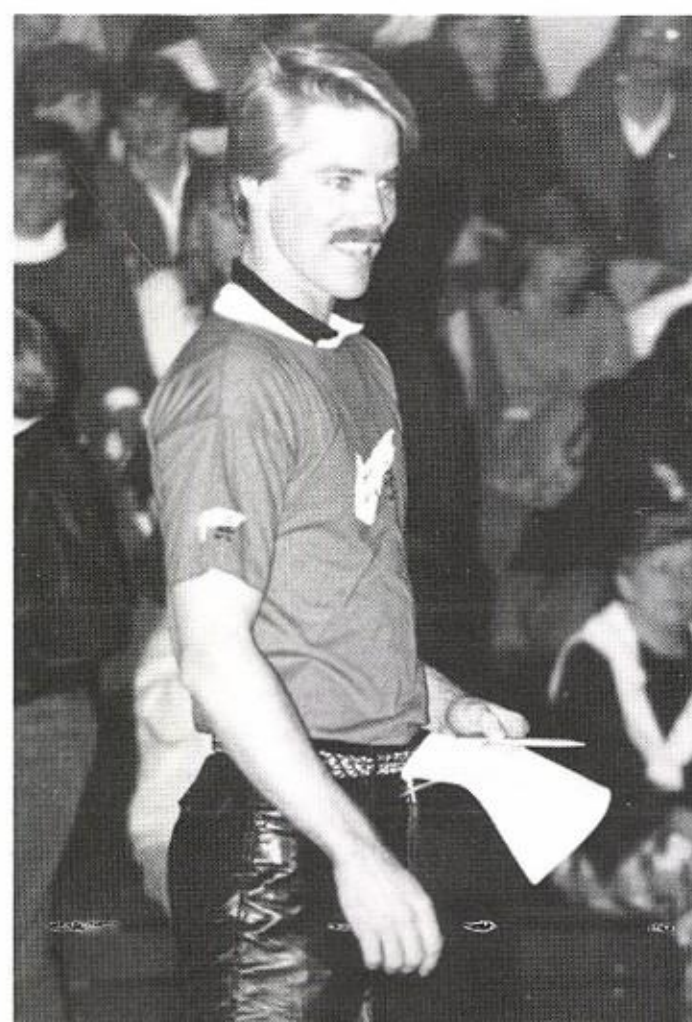

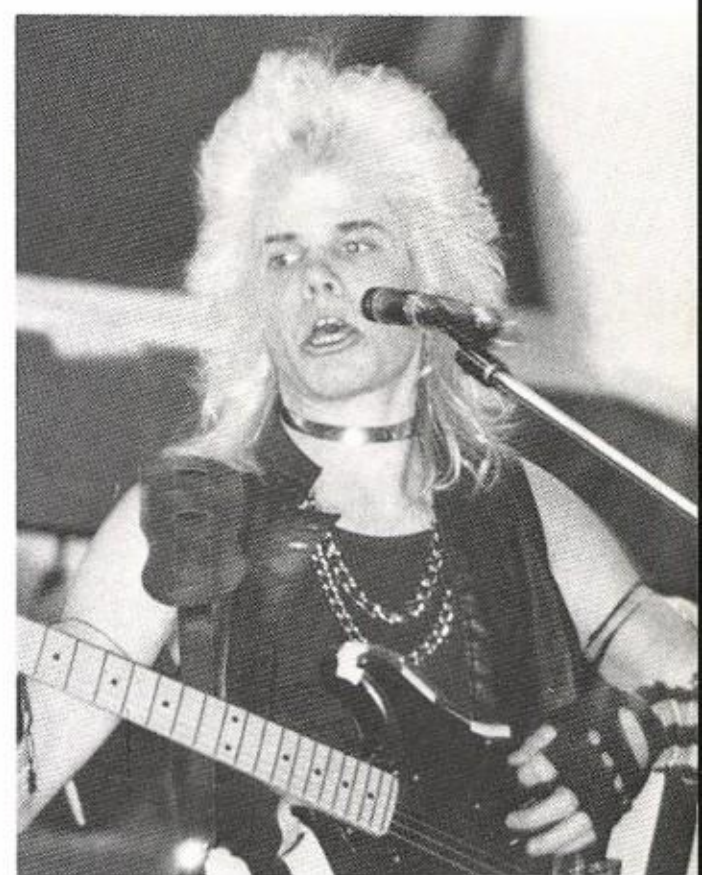

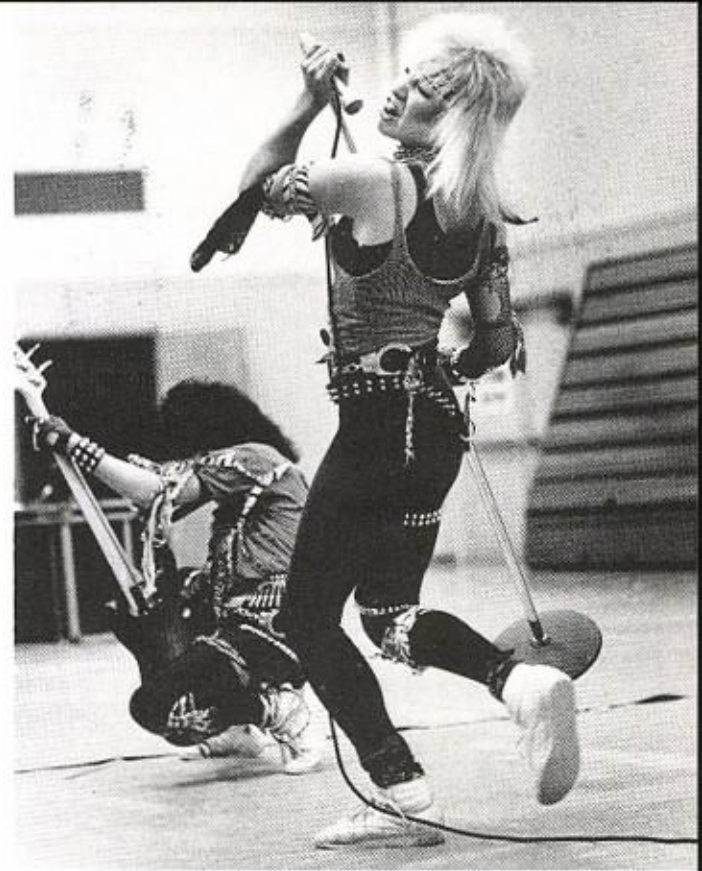

THE TIME WIN C.H.S. FINALS, NORTH COUNTY FINALS AND PEPSI CLASSIC-SAN DIEGO CHAMPIONSHIPS

Carlsbad High School's highly successful air band contest got underway this year in the month of February as eight bands took part in a two day prelim, five top bands selected to go on to the Carlsbad High School finals, held in the gym on March 8th in front of 1500 people. The third place prize of \$50.00 went to the group Dead or Alive, second place went to the Chaka Khan and the top prize went to The Time. Chaka Khan and The Time ventured to Oceanside High School on March 15 to compete in the North County Finals as the top two air bands from five high schools competed for the top prize of \$300.00. A packed gym saw the group from Carlsbad, The Time, once again walk away with top honors.

On Saturday, March 16, the Time made history as eighteen high schools from San Diego County took part in the first San Diego County Air Band Championships, sponsored by Pepsi Cola and 9IX radio, held in the Open Air Amphitheater of San Diego State University. The Time won first place and a check for \$1000.00. Members of the Time were Eddie Faasamala, Robert McGrew, Eddie Stoffey, Erich Lingenfelter, Charles Jordan, Adrese Bilal. Other groups place at the Pepsi Classic were Jelly and the Marcells from Grossmont High, Wham from Oceanside High, Devo from Granite Hills High and Inxs from Santana High.

Carlsbad High School A.S.B. will sponsor the North County Finals next year as well as once again being a host school for the Pepsi Class, San Diego County Airband Championships.

J.V. FOOTBALL

The J.V. Football team had a good season under head Coach Joe Angel. They were 3-3 in league and 6-3-1 overall. The team put out a great effort in every game and always kept the game exciting, such as their disappointing loss to Escondido in the final 30 seconds by a field goal. Assistant Coach Karl Walker stated, "We were never outmanned, our main goal was to keep our mental mistakes to a minimum." That attitude worked, especially in their games against Poway and El Camino. Team awards were given to Greg Beach - Most Valuable Player, Karl Molinar - Offensive Back of the Year, J.R. Fink - Defensive Back of the Year, Shawn Stoll - Line Backer of the Year, and Brian Lasho - Lineman of the Year. Their good season can be summed up by head coach Joe Angel's ending game remark after each win, "How sweet it is!"

AVOCADO LEAGUE CHAMPIONS 7TH STRAIGHT YEAR

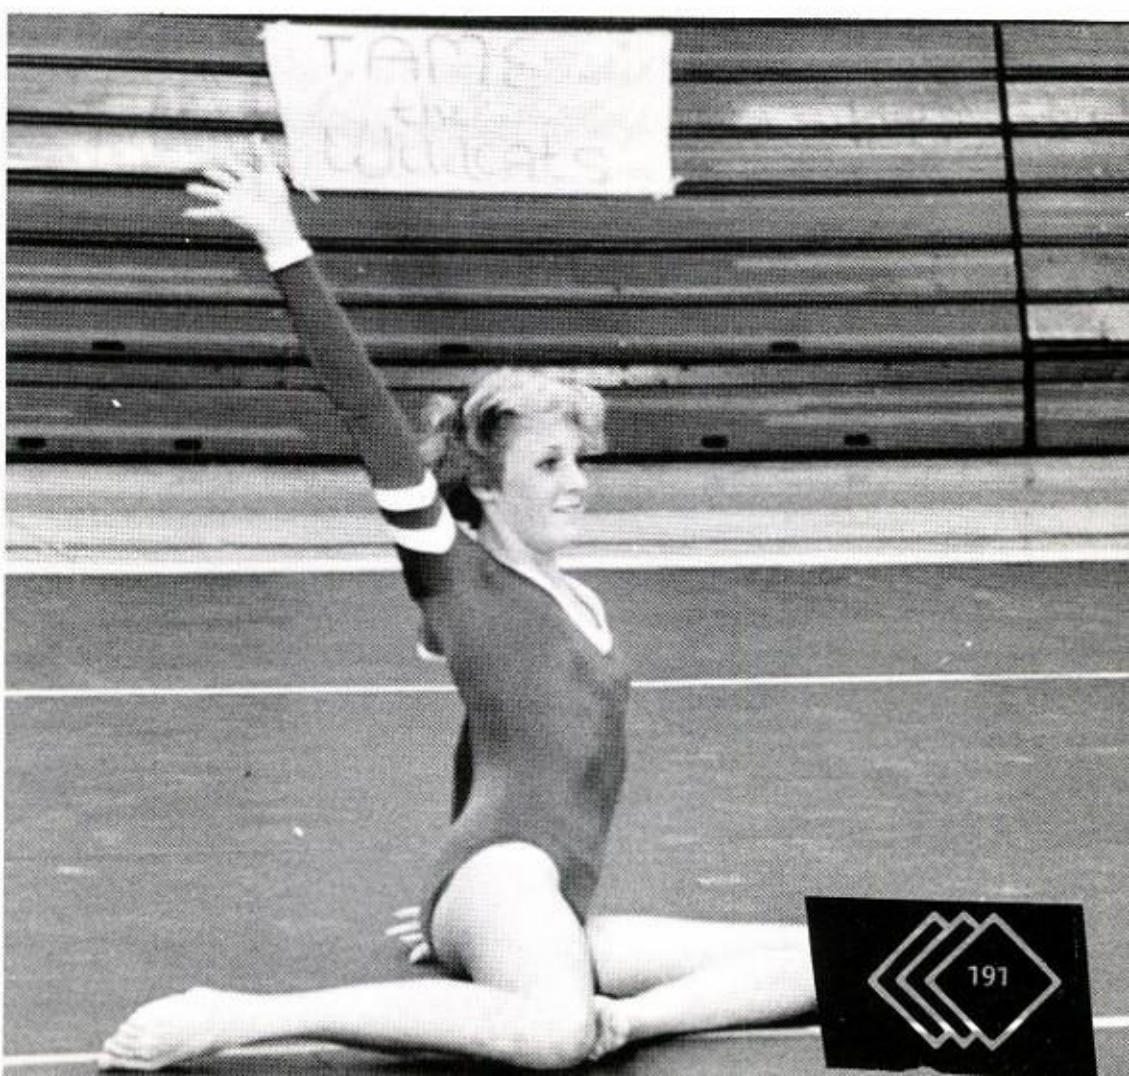

ANOTHER STRONG YEAR FOR LANCER GYMNASTICS

Although this year's gymnastics team is short in number, the team is big in quality and dedication. Said Coach Jerilou Bonnell, "We have a real strong team this year. We may not be as big as last year, but the quality is more important than the quantity. It's a real dedicated sport and you have to be dedicated to succeed, so I would rather have the dedicated girls than have a lot of girls with not all of them being dedicated." Last year's team finished second in the Avocado League and this year's team has a good chance of winning if they can get by the strong Escondido team. Juniors Kim Jackson, Jennifer Burnett and Gayle Gemmell will have the pressure of supporting the team in the optional routines.

Top Row - Jill Reed, Cindy Hewett, Jill Archibald, Christy Reed, Tracy Jimino, Hillary Taber, Kathy Doyle, Mary Beth Mae, Coach Jeri Lou Bonnell, Bottom Row - Kelly Pierson, Vallien Hernandez, Kim Jackson, Jennifer Burnett, Gayle Gemmell, Kim Manning, Jeri McBeth. Not pictured - Tiffany Kueny.

Death is not the enemy of Life, but its friend, for it is the knowledge that our years are limited which makes them so precious. It is the truth that time is but Lent to us which makes us, at our best, Look upon our years as a trust handed in our temporary keeping.
